Preparing for KBIS

LIPI returns to the Kitchen & Bath Industry Show (KBIS) January 21-23 in Las Vegas as one of the cornerstones of KBIS Think. Join us and our partners in the Living In Place thought leaders on Living In Place during the show including daily presentations, panels, CEUs, roundtable discussions, tours and special lunch and cocktail events like you’ve never experienced before. As you are traveling to KBIS in Las Vegas before and after the show, here are some of the event dates.

Maximize your time in Vegas before and after the show with two CLIPP course opportunities.

CLIPPs in the News

Congratulations to Sabrena McCarley, MBA-SL, OTR/L, RAC-CT, CLIPP and Dr. Monique Chabot, OTD, MS, OTR/L, CLIPP, who were recently honored by the American Occupational Therapy Association (AOTA). McCarley is the director of clinical operations, CPS at RehabCare in California and was recently named to the AOTA’s Roster of Fellows. Chabot, an assistant professor at Thomas Jefferson University in Pennsylvania, was awarded the Emerging and Innovative Practice Award.

LEARN MORE ABOUT CLIPP

Here is a Solution!

Welcome to the next evolution in toilet systems, in-wall flushing technology! Through a heritage of innovation and dedication to precise German engineering, Viega brings a concealed flushing system that’s simple to install, easy to maintain, and reliable to withstand the test of time.
